Accountant's Compilation Report

MEMBER
AICPA PRIVATE COMPANIES PRACTICE SECTION

To the Board of Directors
United States PostgreSQL Association
Hood River, Oregon

We have compiled the accompanying statements of assets, liabilities, and fund balances – income tax basis of United States PostgreSQL Association (a nonprofit organization) as of June 30, 2013, and the related statements of cash receipts, expenditures, and changes in fund balances – income tax basis for the six months then ended. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the income tax basis of accounting.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the income tax basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the income tax basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's assets, liabilities, equity, revenues, and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to United States PostgreSQL Association.
